# Wells Solar Streets

## *TAKE CONTROL OF YOUR ENERGY BILLS*
## *HELP FIGHT CLIMATE CHANGE*

Mendip District Council has declared a climate emergency.

In partnership with South West solar PV installer IDDEA Ltd, homeowners of Wells will be eligible for this discount scheme.

The solar streets initiative will save you £1,250 on a 14 panel system

- Solar panels
- Battery storage
- Electric vehicle charging

IDDEA

MCS
The Certification Mark for Onsite Sustainable Energy Technologies

## BOOK YOUR FREE HOME SURVEY

One of IDDEA's team will visit your home, design your solar system and show you the financial benefits and the carbon emission savings. Established in 2007, IDDEA have installed over 800 solar projects across the South West & are commited to supporting communties to take action against climate change.

This service is FREE and WITHOUT OBLIGATION.
